

Agenda	Cartoon of the Day-1.) Describe the cartoon in detail 2.) Identify a symbol & what it represents 3.) What message is the artist trying to convey? Explain. (3-5 complete sentences)
Monday:	In this cartoon I see President Trump and he's on top of a missile or rocket and its labeled "approval ratings" and the jet is going down and I think this means his approval ratings have been going down because of the war
Tuesday:	In this cartoon I see an AI Data center and it's walking out of a really dry area and it's asking for water and it's walking to a much greener area, I think the message here is how there isn't enough water for the data centers.
Wednesday:	In this cartoon I see the current director of the FBI and he's acting very drunk and he has many drinks on his head and on both hands and he's saying "sue the atlantic cause they wrote about my drinking?" and " I'll drink to that". The message here is how the Atlantic wrote bad stuff about him and how he drinks on the job.
Thursday:	In this cartoon I see a hand of a person holding a spoon with social media platforms and other addictions and its feeding the spoon to a little kids and I think the message here is how corporations try to get you hooked on them from an early age
Friday:	In this cartoon I see a family inside a small swimming pool with barely any water in it and the car they have has no tires and no gas and the caption is "Summer staycation 2026" I think it means because prices are very high this year and many people won't be going on vacation
